

Functional Diagnostic Medicine Training Program
Continuing Education Hours for Naturopathic Physicians

The following is a list of CE requirements for Naturopathic Physicians listed by state/province. Functional Medicine University* courses are sponsored by Southern California University of Health Sciences. Notations of FMU course approval signify acceptance of all SCUHS programs.

Please note: Although FMU strives to maintain current information, state board requirements are subject to change as deemed necessary. Please be aware that it is your responsibility to check with your individual state/province for confirmation of licensing regulations.

**Functional Medicine University's Functional Diagnostic Medicine Training Program is owned and offered through Sequoia Education Systems, Inc.*
